CAMP KADESH Hello Churches.
As fall keeps moving forward and we start to hear forecasts mentioning white stuff, some good news is in order.
It is with great excitement that we get to announce that Jonathan DuHamel will join our Camp Kadesh team as our new Camp Director. Jonathan comes to us with a variety of past camp and ministry positions. He has great experience working in the camp world and understands the impact that great camp programming can have. In addition to camp, he also has a background working as a pastor with children and youth and will be a caring leader of our seasonal staff. We look forward to Jonathan's energy and excitement as he joins our team. We welcome Jonathan, Heather and their children to the Camp Kadesh community. They will move to Kadesh in late October. Watch this space and our usual channels for opportunities to get to know Jonathan (and his family) more. Please pray for Jon and his family as they join the team.
We have moved back to the title of Camp Director for Jon as we merge the roles of Summer Camps Director and Outdoor Recreation and Retreats Director together. COVID restrictions are still having big influence over what we are able to do with school groups and other offseason programming. Jon will work with Tim Good our Executive Director to maximize what programming we are able to do as we bounce back from these restrictions to our normal programming. Our hope is that soon we will require another program director to handle the year round capacity that had become normal before 2020. We pray that school programs will be able to restart in May and June and that Kadesh will again be a place for Saskatchewan students to interact with Christian staff and programming at Camp Kadesh.
