**ZONE UPDATE** At the Zone, we have been blessed with having a director that has stayed for over 20 years. This last year has been difficult with all the restrictions we have had to put in place and even having to close the doors for a while. This next year of 2021 will also be seeing some big changes at the zone. Larry Fehr, who has served at the zone for over 20 years, has now given his notice. This has come as a shock. Larry will be greatly missed and we appreciate all the work he has done. With that being said, we are looking for someone to come in and be our new director. This position is very flexible. It can be full time or part time. The hours of operation are very flexible as well. Salary can be discussed to successful applicants. If you have a passion for youth and want to build relationships of trust, please apply. For information or to apply please contact Jesse Fehr @ 306-230-4661.

**LIFE GROUPS** A life group is a small group of couples, women or men who study God's word and do life together. They support one another and keep them accountable. Life groups are a place to grow in our love and knowledge of our heavenly Father. If you are interested at all in joining a life group, please contact an elder or talk to Alison and she can connect you with someone who can find the right group for you.
